ABOUT US

WMRR is the peak industry body representing Australia's essential \$15.8 billion waste and resource recovery (WARR) industry since 1992.

We represent the entire WARR sector providing us with unique and informed insight into the challenges and opportunities encountered by industry as a whole and each sector within.

WMRR's breadth and depth provides our voice with informed and considered authority when advocating for our industry.

WMRR has more than 2,100 members from over 400 entities.
